

How to Create your 2min Video

DID YOU KNOW..?

*One minute of video is worth a whopping 1.8 million words**

Below are the information that we would like on your recorded "Minute Me" video and Yes, it must be maximum 1 min

...there's no better way to express yourself and set you apart from the crowd!

Bring your resume to life with our new Minute ME video feature. This unique feature will allow you to highlight both, your experience as well as factors including communication skills & presentation to potential employers.
